Forms

- Sign In form by scanning a QR code or visiting a short link.
- It could be as easy as answering one or even zero quick questions.
- Only for TU's students.

For Students

A screenshot of the JOLT form interface. The background is a light blue desk with a keyboard, a yellow highlighter, a white pushpin, a teal pen, and a spiral notebook. The form is a white card with a teal header. The header has a 'Forms' tab, a 'JOLT - Saved' dropdown, and a user profile 'AI Rubaye, Issa'. The form has two tabs: 'Questions' and 'Responses' (with a '1' indicator). The 'Questions' tab is active, showing a question '1. How was your day' with two radio button options: 'Great' (selected with a checkmark) and 'Fine'. There is a '+ Add new' button at the bottom of the question list.

Share point

- Part of the TU HUB where students used to login into it, no need to another password or app.
- Points are displayed for each user using a Power app tool embedded on the page and linked by getting a user profile.
- Engaging tools like count down, event calendar, winner profiles, handouts
- Access can be easily given and controlled.
- Place to store lists

TU HUB Page

The screenshot shows the TU HUB Jolt SharePoint page. At the top is a banner with the 'JOLT' logo in large, colorful letters. Below the banner, the page is divided into several sections. On the left, there's a large '5 POINTS' display. To the right of this is a countdown timer for a 'Challenge due' at 02 days, 21 hrs, 28 min, and 17 sec. Below the points display is an 'Add event' section showing an event for 'SEP 15' titled 'Senior Presenting' at 'Kaplan Hall'. To the right of the event section is a 'News' section with three articles: 'Keep your team updated with news on your team site', 'What is a team site?', and 'Add a page to a site'. Below the news section is a 'Team #9' section featuring four team members: Galiasso, Andres; Al Rubaye, Issa; Geng, Peng; and Sorrell, Adam. At the bottom of the page is a 'Day of Innovation 2022 Recap' section with three images: a group of people at a table, the JOLT logo, and an awards ceremony.

One Automated Job

Automate + SharePoint list + user profile

- We have the data for every user with an initial point of zero.
- All counting, displaying, and notifying can be done automatically.
- we store what we need of data in one place for easy access and maintenance.
- User-friendly for less techy admins.
